### Fort Wayne IGT to host statewide training day

The Corporate board wants to hold an all-inclusive training day, and our chapter has been selected to host the event. The annual training will be offered, as well as things like psychic protection, equipment classes, PR classes, etc. The training day will be in March (possibly the 25<sup>th</sup> date still pending). We are trying to find a day that we can host it at the Shrine. The training will be open to all IGT members in the State.

We are expecting a LARGE crowd. Anything you can do to help would be appreciated. Planning will begin after the New Year. We would also like to have a great hunt set up for that night too. If you know of a great hunt that will impress the members from all over the state, PLEASE let Shannon know ASAP!

Dawn B is heading a “Training Day” committee. So much time, organization, and planning is needed to make this the best training day ever! We still need volunteers to help. So far, the volunteers are:  
Dawn, Shannon, Dan, Eric W, Terra W, and Jen

## T-Shirt Orders!

**Dawn would like to do a shirt order (and other merchandise) in January. She is waiting to see if the prices will change after the first of the year. Once there is more info about prices, it will be sent out to everybody. Several requests for kid-size shirts were made, and Dawn will be checking on that too.**

### **We need your input!!!**

We need suggestions on what kinds of things you would like us to do mini-training session. This training is for YOU... this is YOUR chapter. It can be a great as WE make it, which means the members need to be informed and educated. We are open to any suggestions on what you would like to learn more about. Please let Shannon know

## "Meet a Member"

Every month, I'm going to try to feature one member from our chapter in this section of the newsletter. New members join, some members haven't been around in a while, some members might recognize you but don't know your name, or vice versa... Sound familiar? This section is an attempt to help us get to know each other a little better.

Each month I will select a member at random and email a notice if you will be featured. I have a few brief questions, and then you can elaborate and share any extra info you'd like. If you'd like to submit a picture of yourself, please email it, along with your info to me by the 20<sup>th</sup> of your designated month.

**Meet...TERRA W**

**My husband, Eric, and I joined this past August with a couple's membership. We're fairly new, but really love FWIGT! We've met great people and have a blast going to meetings and hunts. My favorite hunt so far was on our very first time attending...when we went to Eel River Cemetery. We were so freaked out afterwards, but we still keep coming back for more.**

**Eric and I are both originally from Ohio, but we've lived here for about 9 years. I am a huge Ohio State Buckeye fan because Ohio's where I was born and raised. Now we're here in Indiana, and this is where we are raising our 3 great girls...Leia 13, Alexis 7, and Cassie 2.**

**Eric has always been fascinated with paranormal stuff, and being married to him, it comes with the territory. He is the one who sought out IGT, and convinced me to join with him. Now it's only a few short months later, and I'm so glad I joined. I'm looking forward to meeting new people and making great friends. Now I'm doing the newsletter and a few other things within the group. I love being active within IGT. Can't wait to meet all of you!!**
